

Think of Things To Advertise

As a business man, you're bound to give thought to labor-saving devices. The larger your business, the more value to you of such devices.

Star-Bulletin Want Ads are labor-saving in the strictest sense, and as such deserve your thought.

When a new proposition comes up, think of the WANT ADS in that connection. Then

According to Consul Frank M. Mabin, well-informed business men Amsterdam estimate that the national wealth of the Netherlands has increased a billion guldens (400,000,000) since the war began-a gain of about \$60 per capita of the population. This estimate is based on the prosperity brought to certain industries and on the increased profits from dealings in certain goods.
